#### **Constitution Proposals**

**Grace Year:** Currently grace years are based on when a student is no longer officially registered with their institution. For postgraduate students this gives their final year of college a small overlap with the beginning of the next ISAA season. This effectively gives outdoor students an extra grace year. If someone was still a registered student at the start of this ISAA season, they would be entitled to a grace year next year, even though they completed the 1-year masters in the 21/22 year. A change to amend this will be proposed at the next EGM.

- The aim is to keep grace years, but archers must start and end a season as a student. It will be based on registration per semester.

- Idea: If you finish your studies in semester one, the rest of the season will count as your grace year.
- A point at which you are a student, or a grace year archer must be established in the constitution.

**Result:** To be voted on at the next EGM

**Competition Allocation:** Currently we have a round robin system with clubs that hosted being listed after clubs that didn't host. In the interest of fairness, we are proposing that the list be randomized. Clubs that hosted a competition in the previous year will still be listed after clubs that did not. This change would not be proposed at the next EGM and will not be coming into effect for the 23/24 season.

**Result:** Passed with a majority vote – The bidding process will be randomized.

**Hosting Fee:** Proposal to scrap the 2€ entry fee per person and introduce one of the following options (vote):

- Flat 100€ fee for hosting and entry fees at 15€
- Average of participants from the previous year @ 2€ each and entry fees at 15€
- Keep it the same as 22/23 league

**Result:** Option i) was passed with a majority vote – an amendment will be added so that the hosting club must pay this fee when the shoot notice goes out as a staging fee (3 weeks before the shoot).

## VII. AOB

- SETU Waterford campus want the Waterford Field Archery Club to set up a club for them with the hopes of affiliating as one with AI but competing separately in the league. It has been confirmed by the chairperson that to compete as separate clubs they must both be registered with AI.
- The 15€ entree fee will remain the same.
- The committee changeover will take place at the discretion of the current and incoming chairperson (June).
